

# South Suburbs Dart League

On behalf of the League Board Members, we would like to welcome all new and returning members to the South Suburbs Dart League 2017 Fall Season .

We are looking forward to another season of darting amongst some of the area's finest darters. Not only is the competition between the divisions great we have some of the friendliest participants and establishments anywhere.

In your folders you will find all the forms necessary for the season. Included are the weekly schedule which has the name and phone number of each team captain, the league rules & regulations, a listing of all the Board Members and their contact information and much more.

Along with the weekly match schedule we have already established the tournament schedule for the 2017 Fall Season. These tournaments are open to all members and the public. There is also a Members Only Christmas Tournament/Party, this open only to SSDL members. The league contributes to the prize money for this event and we want it to go to a member.

All members are encouraged to follow us on our web site for the current standings, player points, league rules and regulations and schedules. You can also find all the forms that are inside your folder available for downloading should you need any additional copies.

Please feel free to contact us for questions especially in regard to completing the weekly score sheets. A sample scoresheet is available for viewing on our website. Again..., please ask questions anytime you feel you need help. You will also find captains of the opposing team as useful resources.

Please be advised that the league has established a Facebook page and we would encourage you to like and follow us. All Bulletins are posted there notifying you when the website has been updated and with reminders of tournaments and other important league information.

We kindly ask that you pay attention to the league fee payment deadlines. All membership, team and bar fees are due by the end of "Week #3." Failure to pay will result in unwanted penalties. The full season "Weekly Fees" are due by the end of "Week #7". This does not mean you have to wait until that date to pay them, however they need to be submitted by this date.

Once again we welcome you all to the league and hope you enjoy the competition and make some new friends.

Wishing you all the Best of Luck this season and throw well!

Respectfully,

The Board of Directors of the SSDL
